Dear Examiner:

Response

In response to the Office Communication of December 6, 2006, the Applicants (or collectively "the Applicant") submit the following remarks.

The Applicant's previous response (November 27, 2006) to the Office action dated August 25, 2006 is marked non-compliant and lacking a complete listing of all the claims. The Applicant respectfully submits that claims 1-47 have been canceled and the listing of the status of these claims was unfortunately omitted in the listing of claims. This mistake has been corrected with this version of the document filed on 27 November 2006.

Remarks/Arguments begin on page 9 of this paper.
